EDUCATION

Ph.D., University of California, Los Angeles. Political Science. 2008

B.A., Pomona College, Claremont, CA. Politics. 1998

WORK EXPERIENCE

Civiqs, Chief Scientist. 2013–

Emory University, Assistant Professor of Political Science. 2008–2013

Stanford University, Visiting Assistant Professor, Center on Democracy,
Development, and the Rule of Law. 2012–2013

Polimetrix (now YouGov), Survey Panel Manager. Palo Alto, CA. 2004–2005

Fairbank, Maslin, Maullin & Associates, Research Associate. Santa Monica, CA. 2000

Hickman-Brown Research, Analyst. Washington, DC. 1998–2000

Ralph G. Neas for Congress, Field Coordinator. Montgomery County, MD. 1998

RESEARCH PUBLICATIONS

Benjamin E. Lauderdale and Drew A. Linzer. 2015. “Under-performing, Over-performing, or Just Performing? The Limitations of Fundamentals-based Presidential Election Forecasting.” *International Journal of Forecasting*. 31(3): 965–979.

Drew A. Linzer and Michael S. Lewis-Beck. 2015. “Forecasting US presidential elections: New approaches.” *International Journal of Forecasting*. 31(3): 895–897.

- Jeffrey B. Lewis and Drew A. Linzer. 2005. "Estimating Regression Models in which the Dependent Variable Is Based on Estimates." *Political Analysis*. 13(4): 345–364.

STATISTICAL SOFTWARE

- poLCA: Polytomous Variable Latent Class Analysis. With Jeffrey B. Lewis. 2013
R package version 1.4. dlinzer.github.io/poLCA
- seatsvotes: Estimating party swing ratios in multiparty legislative elections. 2012
R package version 0.9.

BOOKS

- Eric C.C. Chang, Mark Andreas Kayser, Drew A. Linzer, and Ronald L. Rogowski. 2010. *Electoral Systems and the Balance of Consumer-Producer Power*. Cambridge University Press.

BOOK CHAPTERS

- Drew A. Linzer. 2005. "Statistical Regularities in the Recall Results." In Shawn Bowler and Bruce Cain, eds., *Clicker Politics: Essays on the California Recall*. Prentice Hall.
- Drew A. Linzer and David Menefee-Libey. 2003. "Opening the Floodgates: Campaigning Without Scarcity in the 2000 California Twenty-Seventh Congressional District Race." In David B. Magleby, ed., *The Other Campaign: Soft Money and Issue Advocacy in the 2000 Congressional Elections*. Rowman & Littlefield.

COURSES TAUGHT

- Graduate: Introductory Data Analysis, Limited Dependent Variable Models/Maximum Likelihood Estimation, Bayesian Statistical Modeling.
- Undergraduate: Political Science Research Methods, Comparative Public Opinion, Comparative Political Behavior.
- Emory University Social and Behavioral Sciences Research Center: Introduction to R (2008, 2010, 2011, 2012).
- Koç University Graduate Summer School in Advanced Research Methods and Statistics in Social Sciences: Limited Dependent Variable Models (Istanbul, 2012).

INVITED TALKS

Pomona College, Politics Department	2016
Instituto Nacional Electoral and CIDE, Encuestas Electorales Conference	2016
Stanford University, Department of Statistics Research Colloquium	2013
UCLA, Department of Political Science Research Methods Workshop	2013
Bay Area R Users Group, Official Meeting	2013
Southeast Methodology Meeting, University of South Carolina	2013
University of Georgia, 2012 Presidential Election Conference	2012
University of Rochester, Department of Political Science Methods Seminar Series	2012
Middlebury College, Department of Political Science	2012
University of Notre Dame, Kellogg Institute Workshop on Measuring Democracy	2012
Georgia Southern University, Department of Mathematical Sciences	2012
Georgetown University, Conference on Ideology: Structures, Causes and Consequences	2010
University of Southern California, Center for International Studies	2006
Stanford University, Department of Political Science Comparative Politics Workshop	2004
Society for Comparative Research Fifth Annual Retreat, Princeton University	2003

CONFERENCE PRESENTATIONS

American Political Science Association	2003, 2004, 2006, 2008, 2009, 2011, 2012, 2014, 2015
Society for Political Methodology	2009, 2012
Southern Political Science Association	2010, 2012
Midwest Political Science Association	2006, 2007, 2009, 2013
International Studies Association	2010, 2012
Emory University Directions in Political Methodology Conference, co-organizer	2010

PROFESSIONAL ACTIVITIES

Co-editor, Special Section, <i>International Journal of Forecasting</i> , Volume 31, Issue 3. <i>US Presidential Election Forecasting.</i>	2015
Referee, <i>American Political Science Review</i> , <i>American Journal of Political Science</i> , <i>The Journal of Politics</i> , <i>Political Analysis</i> , <i>British Journal of Political Science</i> , <i>World Politics</i> , <i>Comparative Politics</i> , <i>Comparative Political Studies</i> , <i>International Studies Quarterly</i> , <i>Public Opinion Quarterly</i> , <i>Political Behavior</i> , <i>International Journal of Forecasting</i> , <i>European Journal of Political Research</i> , <i>Democratization</i> , <i>American Politics Research</i> , <i>Politics & Policy</i> , <i>Party Politics</i> , <i>Journal of Conflict Resolution</i> , <i>Computational Statistics</i> , <i>Journal of Classification</i> , <i>Journal of Statistical Software</i> , <i>The R Journal</i> , <i>Journal of Educational and Behavioral Statistics</i> , <i>The Journal of Experimental Education</i> , <i>Oxford University Press</i> , <i>CQ Press</i> .	
Review Panel Member, European Science Foundation. <i>Cross-National and Multi-level Analysis of Human Values, Institutions and Behaviour.</i>	2007–2011
Project Manager for Measurement Methods, Varieties of Democracy Project; v-dem.net.	2010–2012
Board Member, Emory University Social and Behavioral Sciences Research Center.	2010–2012
Advisory Board, Emory Quantitative Theory and Methods Institute.	2011–2013
Participant, Empirical Implications of Theoretical Models Summer Institute, UC Berkeley.	2005
